

# St. Maurice School - Business Education Program (BEP)

The St. Maurice School Business Education Graduation Certificate will be awarded in addition to the St. Maurice School Diploma and the Manitoba Education Diploma (upon successful completion of their respective criteria). The Business Education Certificate is awarded for the required credits earned in the Applied Commerce Education stream of courses offered by Manitoba Education.

## Criteria for the Business Education Certificate

- Successful completion of all four of the prescribed Business Ed. credit courses, listed below, with a minimum average of 60% over all of these required courses. (4.0 credits in total)
- All 4.0 BEP credits must be obtained in advance of the June High School Graduation for the student. The BEP Certificate will not be awarded to a student who must complete or repeat Business Education courses after they have graduated from high school at St. Maurice School.

## Business Education Program (BEP) and Business Courses

The business courses listed below are set to be offered in the upcoming school year. Other business courses may be added in future years, subject to staffing and scheduling concerns. The school reserves the right to withdraw a planned course if fewer than four students register for it, or if appropriate staffing becomes unavailable.

The substitution of other Manitoba Education approved Business Ed. Courses, obtained through the Independent Study Option, InformNet or from a previous school, may be permitted with the approval of the St. Maurice School Administration.

**Grade 10 - BEP Year 1** - Business Innovations 10S

**Grade 11 - BEP Year 2** - Accounting Essentials 30S

**Grade 12 - BEP Year 3** - Economic Principles 40S **AND** Topics and Trends in Business 40S

---

## Business Education Program Notes

- Business Ed. Courses offered at St. Maurice School may be taken by students not registered in the BEP.
- Students entering St. Maurice School or the BEP after Grade 10 may still be eligible to obtain the credits necessary for the St. Maurice School Business Education Certificate. The required credits may be
  - a) scheduled for them at St. Maurice if the school's master timetable permits, else
  - b) obtained via the Independent Study Option (Distance Learning) of Manitoba Education, or via the InformNet online credit course program. Any costs incurred to take any course via Independent Study Option or InformNet will be the responsibility of the student / parent(s).Students are to consult with a high school administrator as early as possible in the school year with respect to their specific needs.
- Should a student fail a required course of the BEP, he or she must repeat and pass the course via the Independent Study Option (Distance Learning) of Manitoba Education or via InformNet, in order to remain eligible for the Business Education program Certificate. Any costs incurred to repeat any course via the Independent Study Option, InformNet or a Summer School will be the responsibility of the student / parent(s). Reminder that all required BEP credits be obtained in advance of the June High School Graduation for the student.

Please direct your questions about the Business Education Program to a High School Administrator or the Business Education Teacher at St. Maurice School.
